**Re: National Pollutant Discharge Elimination Stormwater Inspection  
Coal-Fired Steam Power Plant and Marine Cargo Handling Facility  
MSGP Tracking Number PRR053093**

Dear Mrs. Rodríguez and Mr. Rivera:

We acknowledge receipt of the National Pollutant Discharge Elimination ("NPDES") Stormwater Inspection letter ("Inspection letter") received by AES Puerto Rico, L.P. ("AES-PR") on September 18, 2018.

Further to our recent telephone conversation, AESPR hereby respectfully requests an extension of six (6) working days to submit its response to the findings described in the Inspection Letter. AESPR expects to complete its written response and provide the corresponding supporting documentation on or before November 9, 2018.

We thank you in advance for your attention to this matter. If you have any questions or require additional information please feel free contact the undersigned at (787) 866-8117 ext. 2266.

Sincerely,

A handwritten signature in blue ink, appearing to read "Héctor M. Ávila Caballero", is written over a horizontal line.

Héctor M. Ávila Caballero  
Senior Environmental Coordinator
